## “The Helix Well Containment System”

**KEY NOTE SPEAKER:**

**Roger Scheuermann** is a graduate of Nicholls State University with a degree in Petroleum Technology. He has been involved in the emergency management industry for 20+ years. Roger has completed numerous ICS courses – from basic to advanced and even Area Commander. He was employed with O’Brien’s Oil Pollution Service for 9 years and worked with over 100 E&P GOM operators. He worked on hundred of events around the US, including oil spills, helicopter crashes, barge releases, well blowouts and chemical releases. He has attended over 250 BOEM drills and ICS training sessions and has been involved in over 35 BOEM unannounced drills. Today his primary focus is on the 24 members of the deepwater well containment group – HWCG.
