

ASM/NACE Science Camp –Teachers June 22, 2009 UNO ME

Teachers: Attend Free One-Week Training June 22rd Through 26th, 2009 at ASM Materials CampSM for Science, Math and Technology School Teachers in New Orleans

WHO: SCIENCE/TECHNOLOGY/ART/MATH HIGH SCHOOL TEACHERS

WHAT: To attend an **ASM MATERIALS CAMPSM-Teachers**

WHEN: June 22rd - 26th, 2009

WHERE: University of New Orleans Mechanical Engineering

WHY: To “EXCITE YOUNG PEOPLE” in science and math. We will show you how to use low cost / no cost, simple labs and experiments using everyday materials, that can be integrated into your existing lesson plans to actively engage students in applied science.

MEALS: Snacks (morning and afternoon) and lunches will be provided.

APPLICATION: Available thru ASM Materials Education Foundation website: www.asminternational.org/foundation. Click on “**EDUCATORS**”

ELIGIBLE TEACHERS: High School teachers (public, private, independent) in math, science, art and technology. (Middle School Teachers may be accepted)

SCHEDULE: This is a full day (8:00 to 5:00 PM) 5-day long workshop. (Note: Possibility of late afternoon/evening in the event of fieldtrips scheduled.)

CEUs: Four (4) Continuing Education Units will be provided

GRADUATE CREDITS: Two (2) semester credits through the University of Washington (Seattle) available. (Registration fee is less than \$200).

FACULTY: Primary faculty are two experienced high school “Master Teachers” who have taught materials science courses for many years and helped develop this innovative approach to hands-on learning of applied science principles.

SPONSORS: NACE INTERNATIONAL, The Corrosion Society, ASM International The Materials Society Education Foundation, and University of New Orleans.
