The annual API Sporting Clay Tournament promotes friendly competition, fellowship and sporting clay skills to our oil field industry participants and their families.

This event offers a wide range of competition for both the family and the individual. In the interest of safety, participants must be 15 years or older. **The tournament opens at noon on Thursday, April 16<sup>th</sup> with registration, a 50 target practice course until 6:00 p.m. On Friday, April 17<sup>th</sup> registration will resume at 7:30 a.m. followed by the main event which will consist of two 100 target rounds of sporting clays. Team shooting times are 9:00 a.m. and 1:00 p.m.** Shooters should be ready 30 minutes prior to flight time scheduled. The 5-Stand, Flurry and Long Bird will close at 4:30 p.m. on Friday and "no refunds will be given". The main event will present a multi-stand 100 clays course. Awards will go to high individual and team winners based on Lewis Class Scoring. Additionally, top scores in 5-Stand, Two-Person Flurry and Long Bird will receive awards. **NOTE: Only Team Captains Can Do the Registration For Their Team On The Day Of The Event!**

We invite you to join us for a fun-filled day where friends and families can participate plus build memorable traditions. Refreshments, snacks and lunch will be on hand for the event participants. API-Delta Chapter is dedicated to informing everyone on the importance of the petroleum industry and the many career opportunities available. Proceeds from the Tournament are used to fund key community programs, awards, scholarships and the ongoing promotion of the oil and gas industry in Schools, Universities, and Children Museums.

Your participation in making the 2015 API Sporting Clays Tournament a success is surely needed and sincerely appreciated. We look forward to seeing you there and thank you for supporting our programs. Without your support this would not be possible.
