Fellow Petroleum Industry Sporting Clay Enthusiast,

The API Delta Chapter of New Orleans is proud to announce that we are holding our 18th annual Family Sporting Clay Tournament on **Friday, June 9, 2023**, at the **Covey Rise Lodge** located in Husser, LA. The annual API Family Sporting Clay Tournament promotes friendly competition, and sporting clay skills to our oil field industry participants and their families.

This event offers a wide range of competition for both the family and the individual. In the interest of safety, participants must be 14 years or older. The tournament will start on **Friday, the registration starts at 7:30 AM shooting time starts promptly at 9:00 AM.** Shooters should be ready for **safety meeting at 8:30 AM.**

The main event will present a multi-stand, 100 clays course. Awards will go to high individual and team winners based on Lewis Class Scoring. Additionally, top scores in 5-Stand, Two-Person Flurry and Long Bird will receive awards.

Proceeds from the tournament are used to support API Delta Chapter activities and programs, awards, scholarships, and the ongoing promotion of the petroleum industry in local schools and universities. Through your generosity and participation, API Delta Chapter has been able to provide ongoing support and funding for programs such as the following:

- Over \$150,000 in scholarships since the start of the program to support deserving students from the API-Delta area
- Contributed over \$175,000 to the Louisiana Children's Museum, Bayou Country Children's Museum, and Children's Museum of St. Tammany
- Teacher of the Year Awards to local teachers in excess of \$6,000 yearly with lifetime of over \$225,500
- Mini Grants program to teachers, designed to help fund the purchase of supplies and teaching equipment.
- The Energy projects division of the Greater New Orleans Science & Engineering Fair was started by our Chapter. Monetary awards recognize students with winning science projects in the energy category, along with their teachers.
- The annual API Meritorious Service Award that recognizes local individuals for their outstanding service and leadership in the oil and gas industry and community service.

Your support of the tournament will ensure its success and help API-Delta Chapter continue its efforts to promote the petroleum industry in the region.

A registration form and sponsorship flyer are enclosed. You can also go to our website <http://www.api-delta.org/events> for tournament information and forms.

We look forward to seeing you at this year's API-Delta Chapter Family Sporting Clay Tournament and thank you in advance for your generous support.

Sincerely,

Barney Paternoastro

SAFETY FIRST!

STATION SPONSOR CHECK LIST

Please make sure that shooters keep their barrels cracked or breaches open at all times! Eye and ear protection must be worn!

Only one pair is supposed to be shown before shooting. Each clay thrown costs the Tournament!

Load your gun only when you are in the station, and only 2 shells!

Make sure gun is empty before you leave the station, with barrels cracked and breaches open.

If you have a jam or a shell that will not eject, do not let them leave the station! If you are unable to clear the shell, ask for assistance. Keep the barrel pointed down range while working to clear the jam. You will not be allowed to leave the station without actions cleared.

If any repairs or reloading of machines are needed, open actions and remove shells until the range is clear.

Use your discretion on malfunctions; however, only one per shooter.

A "broken bird" is when you see a chip come off- not orange dust. If there is a question on the call, ask if anyone else saw something you didn't, and use your discretion. You are the final judge, so please watch carefully.

SHOOTERS PLEASE BE COURTEOUS OF OTHER SHOOTERS

Remember, this is intended to be a fun shoot and a fundraiser for scholarships. If you are having problems with your gun, borrow a gun from another shooter to finish the station, so we can keep the people moving. If you have any questions, contact one of the committee members on the field, or the field marshal.

THANK YOU! SPORTING CLAY COMMITTEE
